Gary announced details for the club trip in February 2023. With consideration made for those who have a conflict in the second week in February, the trip has been scheduled for February 5-10 in Gaylord, MI. A group rate of \$84/night is available at the new Comfort Inn and Suites. Reservations must be made directly with the hotel prior to January 13 to get the group rate. This hotel has a hot tub and indoor pool, and better parking for trailers.

There will be no meeting in December, but instead the club Christmas Party will be held at the Canal Grille on Sunday December 11 at 5:00 pm. If you wish, bring a \$15-\$20 gift exchange item.

Gary announced the untimely death of Mary Sample (Cignetti.) Just last month Mary sent the Club a thank you note for sending her a monetary gift following the death of Chuck Cignetti. Since the Club typically makes a memorial donation when we lose a club member, the group discussed appropriate organizations to be the recipient of \$100, and decided on Aultman Hospital's Compassionate Care Center (Hospice.) Measure passed.

The annual end-of-year charitable donation was discussed. The final decision was to give a \$300 gift to Haven of Rest Ministries Homeless Shelter in Akron. Measure passed.

Gary and Bill attended the NOVI snowmobile show the weekend following the club meeting, while Bob and Elaine attended the A-1 Swap and Show at Birch Run Speedway MI.

Adjourn: The meeting was adjourned at 7:03pm., with dinner following.
